CONTROL DEVICES

KP500D/N item no. 80KP7100111 ((((NEW))))
Remote keypad with alphanumeric LCD, 2 lines per 16 characters
→ Min./max. operating voltage: 9 VDC – 15 VDC
→ Contrast and brightness adjustment
→ 9 system-state warning LEDs
→ 12 alphanumerical keys
→ 7 navigation keys
→ 3 rapid command keys
→ Buzzer with adjustable volume
→ 2 aux inputs
→ The keypad is protected against opening and removal and it is powered by the BUS connecting it to the
  control unit
→ Dimensions (L x H x D): 151 x 125 x 29 mm
→ EN50131 class 3 certification

KP500D/N

KP500DV/N item no. 80KP7200111 ((((NEW))))
Remote keypad with alphanumeric LCD, 2 lines per 16 characters and speech synthesis module
→ Min./max. operating voltage: 9 VDC – 15 VDC
→ Contrast and brightness adjustment
→ 9 system-state warning LEDs
→ 12 alphanumerical keys
→ 7 navigation keys
→ 3 rapid command keys
→ Buzzer with adjustable volume
→ Microphone, loudspeakers and audio connection
→ The keypad is protected against opening and removal and it is powered by the BUS connecting it to
  the control unit
→ Dimensions (L x H x D): 151 x 125 x 29 mm
→ EN50131 class 3 certification

KP500DV/N

KP500DP/N item no. 80KP7400111 ((((NEW))))
Touch keypad with integrated proximity reader
→ OLED-technology graphic display with brightness adjustment
→ Indication of the system status through graphic icons
→ 7 navigation keys
→ 4 function keys
→ 12 alphanumerical keys
→ 4 warning LEDs
→ Buzzer with adjustable volume
→ Transponder reader for proximity keys
→ 2 aux inputs
→ Approach sensor
→ The panel is protected against opening and removal and it is powered by the BUS connecting it to the
  control unit
→ Dimensions (H x W x D): 160 x 130 x 23.5 mm
→ EN50131 class 3 certification

KP500DP/N

DK500M-E item no. 80DK5000211
Electronic key reader (mod. DK50)
→ 5 LEDs: 4 LEDs for system status visualisation + 1 for alarm memory
→ 2 programmable inputs
→ Compatible with whole range of Elkron residential electrical system adaptors
→ Available in white version DK500M-E/B item no. 80DK5100211

DK500M-E

DK50 item no. 80DK5400211
Unique code digital electronic key (over 1,099 billion combinations possible)
→ Material ABS
→ Customisable with colour inserts (DK30 50 kit)

DK50

DK500M-P item no. 80DK5200211
Electronic key reader (mod. DK30)
→ 5 LEDs: 4 LEDs for system status visualisation + 1 for alarm memory
→ 2 programmable inputs
→ Available in white version DK500M-P/B item no. 80DK53002111

DK500M-P

DK30 item no. 80DK3500111
125 KHz proximity key (over 281,000 billion combinations)
→ Material ABS
→ Protection degree IP68 - IK08
→ Customisable with colour inserts (DK30 50 kit)

DK30

KIT DK30-50 item no. 80KT9410111
Coloured inserts for DK50/DK30 key customisation
