

SC011

ANVIZ independent controller
For standalone installations
ANVIZ Wiegand & push button inputs
Relay NO/NC
Direct lock control
Power supply DC 12 V

ANVIZ access controller.

Secure and reliable independent access controller which can receive data from an ANVIZ Wiegand reader for standalone use. Input for door sensor and push button to open, relay output NO/NC for control of Maglocks & Electric strikes.

Three switchable delay settings for the relay, switch selectable program mode and a status LED.

Overload, static discharge and short-circuit protection. The controller requires 12VDC and also powers the reader.

Specifications

Security	ANVIZ Wiegand
PC communication	Not available
Controller inputs	ANVIZ Wiegand, push-button
Controller outputs	Relay NO/NC
Power supply	DC 12 V / 120 mA
Dimensions	55 (D) x 70 (W) x 25 (H) mm
Weight	75 g
